Part I Line 2 Mission Blue's program managers work very closely with foreign grantees on public education, ocean preservation and achieving the organization's programmatic goals. In addition to regular reporting, the relationship between the organization and the foreign grantees is closer to that of a partnership than a passive grantor relationship. Frequent visits and direct involvement in all cases contribution to direct oversight over foreign grant recipients.

Part I Line 3 We analyzed line item detail for grants awarded to identify monies spent in foreign regions and that is the method used for reporting on Column F.

Part II Line 1 The accounting method used was to include and report all foreign grantees (subject to the Part II threshold). Amounts are included in Part I Column F (which is therefore the total spent in each region on all types of activities).

Part III The accounting method used was to include and report all foreign grantees (subject to the threshold). Amounts are included in Part I Column F (which is therefore the total spent in each region on all types of activities).
